The Authority is an independent governmental entity separate and distinct from the City and the District. The Authority may provide, either directly or by contract, fire protection, emergency medical, rescue and ambulance services, enforcement of fire prevention codes, hazardous materials response, and other emergency services typically provided by a public fire department and that may be provided by a fire department under the City Charter and by a fire protection district organized pursuant to Article 1, Title 32, C.R.S., within the respective territorial limits of the parties (collectively, the "Fire Rescue Services").

1.3. Nature of the Authority. The Authority is a separate legal entity organized pursuant to Section 29-1-203(4), C.R.S. In carrying out its purposes, the Authority will observe and comply with statutes and laws applicable to the District and the City, including, but not limited to Parts 1, 5, and 6 of Article 1, Title 29, C.R.S., regarding budget preparation, accounting, and auditing; and Part 4 of Article 6, and Parts 2 and 3 of Article 72 as applicable to the Authority, and Article 10 of Title 24, C.R.S., regarding open meetings, open records, criminal justice records, and governmental immunity. The Authority boundaries shall consist of the combined territorial boundaries of the parties.

1.4. Governing Board. The Authority shall be administered by a governing Board of five (5) members, hereinafter referred to as the "Board." The City shall appoint two (2) members and the District shall appoint two (2) members. The fifth member shall be appointed annually at the first regular meeting of the Board in August of each year by majority vote of the four other members as appointed by the City and District.

Any Board member may sign a waiver of notice which waiver shall then be in lieu of any other notice requirement. A

Board member attending any special meeting shall be deemed to have received the necessary notice.

- C. Open Meetings. All meetings of the Board shall be open to the public, except that the Board may go into executive session as permitted by state law.
- D. Electronic Attendance. If approved by the Board, the Board members may participate by telephone or other technology that allows them to participate in a meaningful manner, so long as meetings are open to the public and the Board is not acting in a quasi-judicial capacity.

1.6. Minutes. The Secretary shall cause all minutes of the meetings of the Board to be kept and shall, prior to the next meeting, provide a draft of the minutes to each member of the Board for consideration at the next meeting.

1.7. Voting; Quorum; Required Votes. Each member of the Board shall have one (1) vote. A quorum of the Board shall consist of three (3) members, provided that the City and the District are represented by at least one of their appointees, and no official action on any matter may be taken by the Board unless a quorum is present. Unless otherwise required by law, the affirmative votes of a majority of the Board members present shall be required for the Board to take any action.

Funding Formula and Revenue Allocation Formula (RAF)

The City of Fort Collins and the Poudre Valley Fire Protection District will each make annual contributions to the Poudre Fire Authority according to the following contribution calculations:

A. City Contribution to the Authority per RAF

Subject to the Adjustments described below, the City will annually contribute to the funding of the Authority the following amounts:

1. .29 of one cent of City base sales and use tax (excluding sales and use tax revenue which has been legally pledged for use only on specific projects and debt obligations, or has otherwise been restricted or committed for a particular use as a matter of law or contract); and
2. A sum equal to 67.5 percent of the operating mill levy of the City's property taxes; and
3. Sales and use tax revenue from the voter approved tax measure currently known as "Keep Fort Collins Great" (KFCG) per the tax measure provision for fire protection and other emergency services funding.

"City Sales and Use Tax" and "City Property Tax" refer to forecasts per the City's Financial Services April projection as part of the City's Biennial Budget process. The RAF will be updated throughout that same year if there are material changes to the City Sales & Use Tax and City Property Tax April projections.

City Contribution Calculations

The formula for determining the City's Calculated Annual Contribution to the Authority will be calculated as the sum of:

1. A portion of Base Sales and Use tax revenue

Total City Base Sales & Use Tax Revenue (per Financial Services April projections)
÷ 2.25 DIVIDE: Total 2.25 cent Base City sales and use tax to equal
subtotal of 1 cent of sales and use tax
× 0.29 MULTIPLY: RAF sales and use tax percentage share of total revenue
Sales and use tax RAF Amount

Example: If 2.25% sales tax yields \$60 million per year, then \$60 million ÷ 2.25 = \$26.66 million per 1% of sales and use tax; then \$26.66 million x .29 = \$7.733 million is .29 cents of sales and use tax to be contributed to PFA.

2. PLUS a portion of Property Tax revenue

City 9.797 Mill Property Tax Revenue (per Financial Services April projections)
× 0.675 MULTIPLY: RAF property tax percentage
Property tax RAF Amount

3. PLUS tax measure revenue from Keep Fort Collins Great dedicated to fire protection and other emergency services funding

The sum of which components equals the **City Calculated Annual Contribution** to the Authority.

Phase-in of City Contribution Adjustment (\$2.6 M over 5 years)

The City's current (2014) budgeted contribution to the Authority is \$2.6M below the RAF calculated amount. It is the City's intent to phase in its total contribution to equal the RAF calculation over a 5 year time period beginning in 2015 as follows:

City Calculated Annual Contribution
MINUS: Escalation Adjustment for year
Total City Contribution

Escalation Adjustment by year:

2015 = \$2.1M

2016 = \$1.6M

URA / TIF / Adjustments and Other Implications:

In the event of Urban Renewal Authority (URA) implementation of tax increment financing (TIF) that materially affects the City contribution to the Authority or cost of service to the Authority, the City and District will work cooperatively to ensure that service levels will be maintained through adequate funding adjustments.

All parties are committed to renegotiating the RAF or contribution amount in good faith in the event of "other" implications that affect the efficient implementation of the RAF or management of the Authority in a fiscally prudent manner.

B. District Contribution

The District will annually contribute to the funding of the Authority the following amounts:
The District shall annually adopt a mill levy (minimum 10.595 mills) pursuant to state law, and 100% of the mill levy revenue, less reasonable administrative expenses for the operation of the District, shall be contributed to the funding of the Authority for any authorized purpose.

C. Other Revenues

The Poudre Fire Authority will generate other revenues for support of specific programs and services through a variety of sources. The PFA is authorized to expend these funds with approval of the PFA Board of Directors in the same manner as City and District funds are allocated to PFA purposes.  - a. Plan Review and Development Review Fees
 - b. Sprinkler Inspection Fees
 - c. Hazardous Materials Fees
 - d. Wildland Reimbursements or Fees

6. Federal, State or County reimbursement for disaster assistance or other purposes.
