Michelle/Tony:

Apologies for the slight delay in response.

Defendant does not oppose an extension of time until **Friday, Dec. 29, 2017** for Plaintiff to prepare and serve his Responses to Defendant's First Set of Written Discovery Requests.

Be advised, though, that the discovery cutoff is only about 2.5 months off. Therefore it is possible (but unknown currently) that Defendant will need a similar extension of time as to discovery-related matters. A courtesy similar to that Defendant is offering today will be kindly appreciated should the need arise for same.

Matthew

Mr. McGrath is still finalizing his discovery responses. Would you be opposed to a two week extension of time until December 29 to file his responses? I will be out of the office from December 19 through 27 and would be able to ensure they are finished.
