Plaintiff Rory Heath 2831 Rideglen Way Colorado Springs, CO 80918 Phone: 719-216-4319 Email: RoryHeath1@gmail.com	Case Number: 18CV125 Division: 5A Courtroom:
Plaintiffs' Unopposed Motion for Enlargement of Time to Amend Complaint	

COMES NOW a Plaintiff, Rory Heath, as an individual plaintiff and on behalf of other concerned residents and parties, respectfully asks that the Court grant a short enlargement of time of 15 days so that he may amend his complaint as the Court has ordered, evaluated within the scope of C.R.C.P. Rule 6.

Per Rule 121, Plaintiff hereby states to the court that he has conferred via telephone conversation with a member of the office of Wick and Trautwein, LLC regarding this motion's requested enlargement of time. Undersigned Pro Se is authorized to state that the Defendant consents to the relief requested.

Per the previous court order, Plaintiff was given 21 days from the date of the order filed on 5/14/2018 to amend his initial complaint to join any possible indispensable parties to the action. Whereby the action of amending the complaint to join additional parties will also necessitate thorough changes to the body and composition of the complaint as well. Also present is the need for Plaintiffs to properly word and structure the complaint so that it may accurately reflect the indispensable parties' interest in the action, and the matter as a whole. Essentially, Plaintiff is asking for more time to make sure that the Amended Complaint is done correctly.

In light of this fact, and with the hopes of not having to further amend the complaint in the future (thus, saving the time of all parties involved), Plaintiff is asking for a short enlargement of time. Plaintiff also intends to use this time to possibly consult with legal representation/advisement as to the amendment of the complaint and any ramifications said amendment could have.

The Plaintiff does bear special cognizance to the fact that it is the Court's prerogative as to the granting of this motion regarding the Court's order, and in light of that fact, asks with all respect that this motion be granted, hat in hand.

Thank you greatly for the Court's time spent reviewing this today.

With thanks,

 Rory Heath, *Pro Se Plaintiff*
