Any action taken in reliance upon any decision of a board, commission or other decision maker that is subject to appeal under the provisions of this Division shall be totally at the risk of the person(s) taking such action until all appeal rights

related to such decision have been exhausted, and the City shall not be liable for any damages arising from any such action taken during said period of time.

(c) Appeals filed by members of the City Council need not include specific grounds for appeal, but shall include a general description of the issues to be considered on appeal. Upon the filing of any such appeal, the director of the affected City service area shall identify the specific Code provisions that may pertain to the issues raised by such appeal and shall provide such information to the City Clerk prior to the date that the notice of hearing on the appeal is to be mailed by the City Clerk to parties-in-interest under § 2-52 of this Division. Said information shall then be mailed to the parties-in-interest together with the notice of hearing. If a verbatim transcript of the proceedings does not exist and cannot be produced, whether due to an equipment malfunction or clerical error, or for any other reason, the decision that is the subject of the appeal will be re-heard before the decision maker after notice as required by the relevant provisions of this Code or the Land Use Code, whichever is applicable, and the appeal shall be terminated.
- (3) If available, a videotape recording of such proceedings before the board, commission or other decision maker. The cost of reproducing any such videotape for review by the City Council shall be borne by the City. Additional copies shall be provided to any party-in-interest requesting the same within a reasonable period of time prior to the date for hearing the appeal, at a cost not to exceed the actual reproduction costs incurred by the City.

**Sec. 2-53. Site inspection/no ex parte contacts.**

(a) Councilmembers may inspect the site of an overall development plan, project development plan or other proposal that is the subject of an appeal, either alone or with City staff present, for the purpose of gaining a better understanding of the physical characteristics of the site and the surrounding area, as well as the issues on appeal. If a Councilmember wishes to schedule a site inspection with City staff present, he or she shall, no later than ten (10) days after the filing of the notice of appeal, request that the City Manager schedule such inspection. Upon receipt of such a request, the City Manager shall forthwith schedule the inspection for a date and time when he or she believes that a majority of the Councilmembers wishing to inspect the site will be able to attend. The City Clerk shall, no less than five (5) days prior to the date of the site inspection, mail notice of such inspection to the appellant and to all parties-in-interest to whom notice of the appeal hearing was sent by the City Clerk under Section 2-52 above. The appellant and all other parties-in-interest shall be entitled to attend such scheduled inspection, along with any members of City staff whose presence is requested by the City Manager. Failure to mail notice to any party-in-interest shall not affect the scheduling or validity of any proceeding held or determination made under this Division. Upon receipt of any notice returned by the U.S. Postal Service marked as undeliverable for any reason, the City Clerk may exclude the party-in-interest to which such notice had been mailed from any future mailings related to the appeal that was the subject of the returned notice.

(b) Any Councilmembers conducting a site inspection under the provisions of Subsection (a) above, either alone or with City staff present, shall, at the hearing on the appeal, state on the record any observations they made or conversations they had at the site which they believe may be relevant to their determination of the appeal.

(c) Nothing in this Section shall be construed to authorize any Councilmember or other officer or employee of the City to enter upon any parcel of real property that is not open to the public without the permission of the owner of such property or the permission of such other person or entity as may be lawfully in possession of the property.

(d) In order to afford all parties-in-interest a fair opportunity to respond to the information upon which the City Council is to base its decision on appeal, and in order to preserve the impartiality of Councilmembers hearing the appeal, all Councilmembers who intend to participate in hearing the appeal shall, to the extent reasonably possible, avoid communications with parties-in-interest and members of the general public regarding the merits of the appeal prior to the hearing on the appeal.

(Ord. No. 088, 2006, § 3, 6-6-06; Ord. No. 003, 2008, § 1, 2-5-08; Ord. No. 131, 2011, § 5, 2-21-12; Ord. No. 066, 2014, 5-20-14)

**Sec. 2-54. Procedure at the hearing.**

(a) At the hearing on the appeal by the City Council, the presentation of argument on the merits of the appeal shall be made in the following order, subject to such limitations in time and scope as may be imposed at the discretion of the Mayor:

- (1) Explanation of the nature of the appeal and presentation by City staff;
- (2) Comments by Councilmembers who have inspected the site pursuant to Subsection 2-53(a) above;
- (3) Consideration of any procedural issues identified under Subsection (c) below;
- (4) Presentation of argument by the appellant and any party-in-interest in support of the appeal;
- (5) Presentation of argument by any party-in-interest who is an opponent of the appeal;
- (6) Rebuttal presentation by the appellant and any party-in-interest in support of the appeal;
- (7) Rebuttal presentation by any party-in-interest who is an opponent of the appeal;
- (8) Councilmember questions of City staff and parties-in-interest; and
- (9) Motion, discussion and vote by the City Council.

(b) Factors to be considered in determining the period of time for the presentation of argument on the merits of an appeal shall include, but not be limited to, the complexity of the issues raised in the notice of appeal, the length of the record on appeal, the potential impact that the determination of the appeal may have on the community at large and the number of parties-in-interest who wish to address the Council with regard to the merits of the appeal.

(c) Prior to hearing the presentation of argument on the merits of the appeal, the Mayor may, in his or her discretion, establish a separate period of time during which the Council may first consider and determine, by majority vote, any procedural issues related to the hearing of the appeal, including, but not limited to, the possible introduction or exclusion of certain evidence, the period of time to be allowed by the Mayor for presentation of argument on the merits of the appeal and any concerns or objections related to the record on appeal.

(d) No person making a presentation to the City Council shall be subject to cross-examination except that members of the City Council and the City Attorney may inquire of such person for the purpose of eliciting information and for the purpose of clarifying information presented.

(e) In the event of multiple appeals involving the same decision of a board, commission or other decision maker, the Mayor, in his or her discretion, may modify the procedure contained in Subsection (a) above so as to expedite the hearing of such appeals.

(Code 1972, § 3A-10; Ord. No. 124, 1987, § 2, 9-1-87; Ord. No. 174, 1988, §§ 2, 3, 12-20-88; Ord. No. 111, 1989, § 4, 8-1-89; Ord. No. 23, 1990, § 7, 4-3-90; Ord. No. 139, 1990, 1-15-91; Ord. No. 59, 1994, § 4, 4-19-94; Ord. No. 53, 1997, § 2, 3-18-97; Ord. No. 003, 2008, § 2, 2-5-08; Ord. No. 131, 2011, § 6, 2-21-12; Ord. No. 066, 2014, 5-20-14)

**Sec. 2-55. Written materials; new evidence; scope of review; alternative actions available to the City Council; date of final action.**

(a) The City Council shall consider an appeal based upon the record on appeal, the relevant provisions of the Code and Charter, the grounds for appeal cited in the notice of appeal and the arguments made by parties-in-interest at the hearing on the appeal; provided, however, that issues raised during the presentation of argument but not raised in the notice of appeal shall not be considered by the City Council in deciding the appeal.

(b) No written materials related to an appeal, other than the notice of appeal and the record on appeal, shall be presented to the City Council before or during an appeal hearing, and no new evidence shall be considered on appeal, except that new evidence in oral or written form may be submitted and considered under the following circumstances:

(1) When offered in support of or in opposition to an allegation under Subparagraph 2-48(b)(2)c. of this Article that a board, commission or other decision maker considered evidence relevant to its findings which was substantially false or grossly misleading;

(2) When offered in support of or in opposition to an allegation of bias under Subparagraph 2-48(b)(2)e. of this Division;

(3) When offered by City staff or parties-in-interest in response to questions presented by Councilmembers under Subsection 2-54(a) or (d) above; or

(4) When offered by Councilmembers after inspecting the site of the project development plan or other proposal that is the subject of an appeal pursuant to the provisions of § 2-53 of this Article.

(c) Any new evidence permitted under Paragraphs (b)(1) or (2) above and submitted prior to the hearing or offered at the appeal hearing by City staff or parties-in-interest shall be limited to that which is either:

(1) Described in the notice of appeal;

(2) Submitted to the City Clerk in writing at least seven (7) days prior to the appeal hearing by any party-in-interest opposed to the appeal; or

(3) Provided to the City Council by City staff prior to or during the appeal hearing.

(d) Any party-in-interest who believes that new evidence has been improperly introduced into the appeal hearing may, at any time during the hearing, interrupt the proceedings and object to the Council's consideration of such evidence. If such an objection is made, the Mayor shall rule on the objection, after consultation with the City Attorney if necessary, and the evidence shall either be received and considered by the Council or disregarded by the Council in accordance with the ruling of the Mayor; provided, however, that the Mayor's ruling on this or any other procedural issue raised during the course of the hearing may be overridden by a majority of the Council. The failure of a party-in-interest to make such an objection shall constitute a waiver of the same by that party-in-interest for the purpose of any court appeal of the Council's decision.

(e) In considering an allegation that a board, commission or other decision maker failed to properly interpret and apply the relevant provisions of the Code or Charter asserted under Paragraph 2-48(b)(1) of this Article, the City Council shall determine how such provisions should, in the City Council's judgment, be applied to the evidence contained in the record on appeal.

(f) At the conclusion of such hearing, the City Council shall uphold, overturn or modify the decision of the board, commission or other decision maker; provided, however, that:

(1) The City Council shall instead remand the matter for rehearing if it finds that the appellant was denied a fair hearing before the board, commission or other decision maker for any of the reasons stated in Paragraph 2-48(b)(2) of this Article.

(2) The City Council may also remand the matter for rehearing in order for the board, commission or other decision maker to receive and consider additional information with regard to any issue raised on appeal. Any such remand shall include direction from the City Council to the board, commission or other decision maker as to the issues to be considered at the rehearing.

(g) No later than the date of its next regular meeting, the City Council shall adopt, by resolution, findings of fact in support of its decision. The date of passage of such resolution shall be the date of final action of the City Council for the purpose of any subsequent judicial review of the decision of the City Council.

### ARTICLE III. BOARDS AND COMMISSIONS\*

#### Division 1 Generally

**Sec. 2-71. Meetings defined, open meetings required; exceptions.**

(a) The following words, terms and phrases, when used in this Division, shall have the meanings ascribed to them in this Section:

*Meeting* shall mean any gathering of a quorum or three (3) or more members, whichever is fewer, of any board or commission of the City, or any committee of such board or commission, at which any public business is discussed or at which any formal action may be taken, but shall not mean any chance meeting or social gathering at which the discussion of public business is not the central purpose.

(b) All meetings of boards and commissions of the City, and all meetings of any committees of such boards and commissions, shall be open to the public at all times, except that any board or commission, upon the affirmative vote of two-thirds ( $\frac{2}{3}$ ) of the quorum present, may go into executive session for the purpose of considering such matters as would be permissible for consideration by the City Council in executive session, as enumerated in Subsection 2-31(a) above, insofar as such matters may be pertinent to the purposes for which the board or commission has been established by the City Council.

(c) No final policy decisions shall be made, nor shall any resolution be passed or other formal action taken by any board or commission in executive session.

(d) The following shall be exempted from the provisions of this Section:

(1) The trustees of the police, fire and general employees' pensions shall have the authority to meet in executive session for the purpose of reviewing pension applications, medical records, personnel records and reports and discussing pending as well as previously granted pensions with board attorneys.

(2) The review subcommittees of the Citizen Review Board, as described in Subsection 2-138(d), shall meet in executive session for the purpose of receiving and considering evidence relating to internal investigations conducted by Police Services unless the police officer(s) or community service officer(s) against whom the complaint is filed requests that the matter be considered in open session. If such a request is made, the subcommittee shall determine the extent to which the consideration and discussion of evidence will occur in open session. In making this determination, the subcommittee shall consider the extent to which the consideration and discussion will directly concern personnel matters of the officer(s), the need to maintain the confidentiality of public information in circumstances where the dissemination of the information would do substantial injury to the public interest and any other constraints upon public dissemination imposed by law.
