

Dear CLERK OF THE COURT,

Thursday, August 9th, 2018

Case No: 17-cv-00884-STV

Case No: 18-cv-01338-GPG

FILED

UNITED STATES DISTRICT COURT
DENVER, COLORADO

To Whom It May Respectively

AUG 13 2018

JEFFREY P. COLWELL
CLERK

This letter is written to inform the Clerk of the Court, and the residing Honorable Judges, that on Friday, August 3rd, 2018, I, Chayce Aaron Anderson, was unexpectantly return transferred from Washington County Jail to Larimer County Jail. The Court should note that Mr. Anderson has no reasonable access to the internet, or the Court's website, in a timely matter. The Court implements a 5-Day Rule, and today is the 5th business day. This is an attempt in good faith to notify the Court of the change of address. As well, Mr. Anderson advises the Court that due to a previous protection order against him listing Deana Paloranta (falsely) as a protected party, and due to his status as an "incarcerated person," he is uncomfortable conducting Service, and would respectfully request the Clerk through the Marshalls, to conduct service.

This letter includes filing in 18-cv-01338-GPG of "CONSENT/NON-CONSENT TO THE EXERCISE..." Although Mr. Anderson wished to consent, there was no ability to confer due to the above-mentioned conflict with a prior protection order of Larimer County - County Court (Judge Leyman).

Thank you very much! Have a nice day!

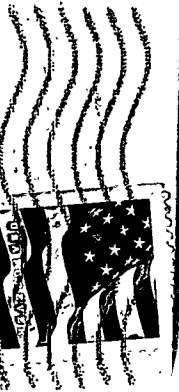

Sincerely,

CHAYCE AARON ANDERSON
