ORDER This matter is before the Court on [47](#) Plaintiff's Request for Extra Time to Respond to Motion for Dismissal (the "Motion"), which was referred to this Court [#48]. Although the title of the document appears to request an extension of time for Plaintiff to respond to [39](#) Defendants Brandon Barnes, John Hutto, and the City of Fort Collins' Motion to Dismiss, the text of the Motion fails to request any specific relief and does not provide an explanation for the need for additional time or specify the amount of additional time requested. Accordingly, the Motion is DENIED WITHOUT PREJUDICE to Plaintiff re-filing a motion for an extension of time that specifies the good cause justifying an extension and the amount of additional time sought. The Clerk of Court is directed to mail a copy of this Order to Plaintiff. SO ORDERED, by Magistrate Judge Scott T. Varholak on 7/08/2019. Text Only Entry(stvlc1, ) (Entered: 07/08/2019)
