GOALS AND OBJECTIVES FOR 1993
FORT COLLINS SENIOR ADVISORY BOARD

In accordance with the six functions of this board outlined by the city, the following projects are ones we plan to work on to fulfill those functions:

1. As coordinating agency for senior services and activities:
   a. Arrange for a get-together luncheon to implement a network of senior organizations.
   b. Hold a minimum of 3 outreach meetings.
   c. Continue having liaisons with other senior groups, such as Concerned Seniors of Colorado, AARP, and Continuum Care Coalition (C3).

2. Support and encourage senior communications, programs and activities:
   a. Continued leadership role on Building Team, supporting staff and hosting public input opportunities as design and construction of the new senior center progresses.
   b. Work with radio station(s) to get Seniors Airborne talk show returned to the air.
   c. Continued support for Prime Time Plus and other print media coverage for and about seniors.
   d. Continued support of Friends of the Senior Center.
   e. Have information booths at community events such as the New West Fest, health fairs, etc.

3. Assessment, investigation and/or evaluation of requests:
   a. Pet health concerns for seniors
   b. Volunteer credit/exchange towards cost of leisure activities

4. Development and encouragement of new senior programs:
   a. Senior educational opportunities such as CSU audit, or "visitation" plan, Front Range Community College, Front Range Forum, bring classes to the senior center.
   b. Senior I&R tie-in with the city's 24 hour info-line.
   c. Remain open to any and all senior concerns, and act as a conduit for resolution of the concerns.

5. Provide and publicize opportunities for senior participation in community events:
   a. Host senior functions during year, especially during Older Americans month in May.
b. Publicize and participate in cooperative activities
benefitting the senior population, such as the annual

6. Maintain communication with all government levels on senior
issues. In particular:

a. Continue to monitor and support community efforts for
healthcare measures.
b. Cooperate with county, regional Office on Aging.
