Special Instructions

All bids must be properly signed by an authorized representative of the company with the legal capacity to bind the company to the agreement. Bids may be withdrawn up to the date and hour set for closing. Once bids have been accepted by the City and closing has occurred, failure to enter into contract or honor the purchase order will be cause for removal of supplier's name from the City of Fort Collins' bidders list for a period of twelve months from the date of the opening. The City may also pursue any remedies available at law or in equity. Bid prices must be held firm for a period of forty-five (45) days after bid openings.

Submission of a bid is deemed as acceptance of all terms, conditions and specifications contained in the City's specifications initially provided to the bidder. Any proposed modification must be accepted in writing by the City prior to award of the bid.

Only bids properly received by the Purchasing Office will be accepted. All bids should be clearly identified by the bid number and bid name contained in the bid proposal.

No proposal will be accepted from, or any purchase order awarded, to any person, firm or corporation in default on any obligation to the City.

Bids must be furnished exclusive of any federal excise tax, wherever applicable.

Bidders must be properly licensed and secure necessary permits wherever applicable.

Bidders not responding to this bid will be removed from our automated vendor listing for the subject commodities.

The City may elect where applicable, to award bids on an individual item/group basis or on a total bid basis, whichever is most beneficial to the City. The City reserves the right to accept or reject any and all bids, and to waive any irregularities or informalities.

Sales prohibited/conflict of interest: no officer, employee, or member of City Council, shall have a financial interest in the sale to the City of any real or personal property, equipment, material, supplies or services where such officer or employee exercises directly or indirectly any decision-making authority concerning such sale or any supervisory authority over the services to be rendered. This rule also applies to subcontracts with the City. Soliciting or accepting any gift, gratuity, favor, entertainment, kickback or any items of monetary value from any person who has or is seeking to do business with the City of Fort Collins is prohibited.

Freight terms: unless otherwise noted, all freight is F.O.B. Destination, Freight Prepaid. All freight charges must be included in prices submitted on proposal.

Discounts: any discounts allowed for prompt payment, etc., must be reflected in bid figures and not entered as separate pricing on the proposal form.

Purchasing restrictions: your authorized signature of this bid assures your firm's compliance with the City's purchasing restrictions. A copy of the resolutions is available for review in the Purchasing Office or the City Clerk's Office. Request Resolution 91-121 for cement restrictions.

Collusive or sham bids: any bid deemed to be collusive or a sham bid will be rejected and reported to authorities as such. Your authorized signature of this bid assures that such bid is genuine and is not a collusive or sham bid.

Bid results: for information regarding results for individual bids send a self-addressed, self-stamped envelope and a bid tally will be mailed to you. Bid results will be posted in our office 7 days after the bid opening.

I would like to inform you of our past work with other police depts. along the Front Range. We have worked with:

- Denver Metro Police
- Denver Sheriffs Dept.
- Lakewood Police Dept.
- Boulder Sheriffs
- Dacono Police Dept.
- Firestone Police Dept.
- Longmont Police Dept.

We provide a full service of all gunsmithing needs that are required by Law Enforcement agencies. We are able to service all firearms at factory specs with original factory parts.

We are also a Class 2 manufacturer and service center of all weapons of class 3 origin, like:

- Machine guns
- Silencers
- Short barreled rifles
- Short barreled shotguns.
- As well as less lethal firearms that are in need of repair.

We can provide departments with manufacturer trade-ins for other firearms, credit or needed service work on department inventories. You may wish to trade in old firearm inventory such as old Remington 870s, older hand guns, and other weapons for new products.

We provide a full service firearm orientation on all new weapons that have been purchased through us. And we have Armorers' courses at your time schedule and convenience.

Firearms purchases from Iron Ridge will have a guarantee service pick up of no more than 48 hrs. from malfunction and will be serviced and returned as soon as possible.

I hope we are able to help you with your needs. Please feel free to call on us if you have any question on the enclosed bid. I thank you for considering our company.

Sincerely,

A handwritten signature in black ink, appearing to read "O. Mazurkiewicz", with a long horizontal flourish extending to the right.

Fort Collins PD Bid 5993

Patrol Unit Rifle Carbine

General Weapon Descriptions: Rock River Arms CAR A4 rifles with forged A4 upper receivers and A2 lower receivers, firing from a closed-bolt by action of gas impingement. The A4 receivers will meet MS1913 specifications for interchangeability of mounting systems. All aluminum parts will be hardcoat black anodized, while all steel parts will be manganese phosphated to a flat black finish. Heavy profiled barrels of 4140 chrome-moly steel with chrome-lined bores and chambers will feature 1:9 twist 6-groove button rifling and be chambered for the 5.56mm NATO cartridge. These RRA rifles will feature RRA's semi-automatic NM two-stage trigger/fire control group, as well as ambidextrous safety/selectors and magazine catches. There is no provision for an ambidextrous bolt catch. Both rifles will be equipped with an RRA 6-position tactical CAR stocks. The barrels on both rifle styles will be factory-built with the appropriate height A2 front sight housings, and ARMS 40 flip rear sights will be mounted to the rear of the A4 upper receivers. These flip rear sights are adjustable for windage only, with all elevation adjustment being made on the front sight post. All rifles will carry RRA's limited lifetime warranty against failures of factory parts or labor. Three thirty (30) round magazines will be provided with each rifle.

The Patrol Rifles shall meet all specifications as outlined in Bid #5993 with the exception of the ambidextrous bolt release mechanism as specified in "Operation" (page 1 of 8) and the ability to adjust the rear sight for elevation as specified in "Sighting System" (page 2 of 8). The Patrol Rifles will feature the requested thermo-mold, double heat shielded "Y-Mount" hand guard and ambidextrous (reversible for operator) side sling swivel assembly in addition to the traditional bottom sling swivel mounted to the front sight housing. An A2 pistol grip will also be standard.

The SWAT Rifles shall meet all specifications as outlined in Bid #5993 with the exception of the ambidextrous bolt release mechanism as specified in "Operation" (page 4 of 8) and the ability to adjust the rear sight for elevation as specified in "Sighting System" (page 5 of 8). Additionally, the delivery time specified in "Quantity/Delivery" (page 6 of 8) will be dependent upon BATFE approval of the
