Shawn, use vendor #289716 for the Insight req. It's fine, IT uses it all the time here on the City side. It's also set up for ACH payment.

The W9 on file has an address of 22721 E Mission – is this still correct. If not, I will need a new W9

Shawn & Eric,

I recommend that you enter a requisition for this, put my buyer #5 on it, and get it approved even though it's less than \$1,000; that way it will generate a PO that I can have emailed to Gini.

Shawn, would you also please attach the quote to it as a line attachment?

Thanks,
Ed

Hi,

Thanks again Ella! I believe we worked with Adele and Gini at Insight last time.

Adele and Gini, could we please have a quote for Webroot SecureAnywhere Mobile Protection? We'd need 75 licenses at this time to cover our iPad and smartphone devices. This would be a similar request as to what we did back in March with the EndPoint protection licenses. A 3 year license agreement for these licenses would be preferred as well. If you have any questions, please don't hesitate to ask.

Thanks and have a great day,

Eric

Hi Eric,

For anything under 120, you can purchase directly online. We don't do quotes directly at this point. Or, you're welcome to go to a preferred partner if you need to pay by PO. I believe you worked with Justin over at Insight2 last time?

You can have him reach out with questions. Let me know if you need anything else.

All the best,

Ella Levy | *Channel Sales*

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See *What is backup withholding?* on page 2.

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
