Dear Mark,

As we discussed, I am sending our current pricing information on the Toro Workman MDE electric utility vehicle that you are interested in. This model is currently out of production from the Toro Company. The new utility vehicle that replaces this model is now the Toro Workman GTX. I am also sending you pricing on that unit also.

At this time, we have one demonstrator Toro Workman MDE remaining in stock that is available for \$9,151.00. This unit (07299-312000178) has 126 hours of demonstration time on it and comes with a one-year warranty. This unit will be completely serviced prior to delivery. This price is for that particular unit and is subject to availability. The MAPO price for this unit brand new (when they were available) was \$10,337.00.

Available Accessories:	
Electric Box Lift Kit	\$ 611.00
Receiver Hitch	\$ 155.00
Horn Kit	\$ 43.00
Brush Guard & Bumper	\$ 246.00

The Service Fee listed below covers freight, set-up and delivery charges.

1- <i>NEW</i> Toro Workman GTX utility vehicle with a total payload capacity of 1,200 pounds, twin bucket seats, rack & pinion steering, coil over shock suspension in all four corners, gimbal joint allows for 15° rotation, hydraulic disc brakes front and rear, polyethylene cargo box and powered by a 48V brushless A/C motor, on-board smart charger	\$ 9,383.00
4% Service Fee	\$ 375.00
	 \$ 9,758.00 ✓

Available Accessories: (Price includes Service Fee)
