**Subject:** FW: Quote from OJ Watson

Hi Rosanne,

Doug told me to send this quote to you from Michael at O.J. Watson for tool boxes for new vehicles for light and power as requested by Eric Anderson, it is below. Even though each box will be going to 3 different units, for a total of nine boxes, the combined order is \$6,678.75 plus shipping, Doug thought that there should be a record of the purchase. I have already placed the order and started the ball rolling as there is a 6 week lead time. Any questions please let me know, thanks.
