Ed-

Attached please find our bid for bid #5729 - PFA Nozzles and Equipment. We have bid all items as specified with two exceptions. We are not able to offer the Task Force Blitz Fire because we are not stocking distributors. We are also not able to offer the Iowa American haligan.

We are stating 4 to 6 week delivery on all items. This will not be the case on the majority of the items, as we have a fair amount of them in stock.

We also acknowledge the receipt of one (1) addendum. If there are any additional questions, please do not hesitate to contact us. We appreciate the opportunity to be of service.

THANKS

Marc Falotico
