FAXBID PROPOSAL
BID #5755
CHRISTMAS TREE RECYCLING
BID OPENING: DECEMBER 11, 2002 3:00 P.M. (our clock)

WE HEREBY ENTER OUR BID FOR THE CITY OF FORT COLLINS REQUIREMENTS FOR CHRISTMAS TREE RECYCLING PER THE BID INVITATION AND ANY REFERENCED SPECIFICATIONS:

SCOPE OF WORK: The City of Fort Collins is seeking the services of a solid waste firm for a Community Christmas Tree Recycling Program. The contract period will be from December 23, 2002 through January 13, 2003. The contractor will provide eighteen (18) roll-off containers as specified below for the purpose of collecting Christmas trees from citizens at the following four (4) designated public drop-off sites. The contractor will also provide four (4) dumpsters as specified below for the purpose of collecting trash at the four (4) designated drop-off sites.

At the option of the City, the Award from this Bid may be extended for additional one year periods not to exceed four (4) additional one year periods.

For questions about the bidding process, please contact Ed Bonnette, C.P.M., Buyer, at 970-416-2247; e-mail ebonnette@fcgov.com.

For questions about the Scope of Work, container placement, etc. please contact Shirley Bruns, Natural Resources Dept., at 970-221-6264; e-mail sbruns@fcgov.com.

REQUIREMENTS:

- Full roll-off containers will be hauled to the Larimer County Landfill, 5887 So. Taft Hill during regular landfill hours, and unloaded in the area designated for Christmas trees. The Contractor will not be charged the landfill tipping fee for roll-off containers from these four City Christmas tree drop-off sites.
- One 3-cubic yard dumpster will be placed at each drop-off site for plastic bags, trash, etc.
- All containers must be in place by 10:00 A.M., Monday, December 23, 2002 and removed from all drop-off sites no later than 6:00 P.M., Monday, January 13, 2003.
- The Contractor must be available on high volume days - Saturday, December 28th and Saturday, January 4th to pull containers throughout the day at Edora Park and Rolland Moore Park.
- The City may request that changes be made to the original schedule based on the volume of trees collected at any of the drop-off points. Additions and deletions to the original services schedule shall be accommodated by the Contractor at the unit prices quoted.
- On or before January 30, 2003, the Contractor will provide documentation including the date of the haul, drop-off location, and number of containers to the City of Fort Collins Natural Resources Department.
- Space Requirement: At a minimum, there must be twenty (20) feet between roll-off containers at the drop-off sites.
