Beginning in 1996, Annual Passes were restructured to create a multitier system. We eliminated the categories of Senior (Age 62 & Over), Student/Young Adult (Age 24 & Under), and all Family pass categories including Spouse. We then had only three categories of passes, which were Single Adult, Junior (Age 18 & Under), and "Super Senior" (Age 80 & Over). Beginning in 2000 the three categories are now called Single Adult, Age 17 & Under, and Age 75 & Over.
