VHF Portable Handheld Radios 16 each: Authorized Grant Funds. \$7,600.00.

When the grant request was made it was estimated that each radio would cost approximately \$475.00 each with battery and charger. Since it is anticipated that purchasing will require a bid process the actual total cost is unknown at this time.

The following vendors should be asked to bid. The preferred vendor is Collins Communications and if a bid process is not required this vendor should be used. Besides being local Collins Communications has worked with LCDTF on several radio equipment issues during the past two years and has been very accommodating working with price issues.

The following Kenwood products are to be purchased as indicated below:

TK-270G HH's Portable Radio. 16 each.

KSC-24 Desk Top, Rapid Battery Charger. 16 each.

KNB-22N Battery Pack. 32 each.
