Dear Mr. O'Neill:

Thank you for the recent opportunity to bid on Financial Applications Software Request for Proposal P-620. Systems Consultants, Inc. (SCI) is a successful supplier of financial and management software solutions for the public sector.

SCI has a fully integrated series of applications including, but not limited to, General Ledger, Purchasing, Budget Preparation, Payroll, Human Resources, Work & Project Management, and Bid Administration. To support our applications, SCI can also provide the necessary consulting services and computer hardware, such as UNIX and other client/server platforms.

After reviewing RFP P-620 in detail, we are electing NOT to bid.

Sincerely,

A handwritten signature in cursive script that reads "Eugene J. Pusczyk".
