Opal,  
The services provided by both firms, The Brendle Group and Architectural Energy Corporation, have been exemplary, and I would like to renew the contract with both companies. Thanks.

John

Please advise if the services under this contract with The Brendle Group and Architectural Energy Corporation have been satisfactory. If you are pleased with the services, I will send renewal letters to both firms. This will be the second term of a five year contract. The term for the renewal period is April 1, 2006 through March 31, 2007.

Thank you for your assistance in this matter.
