**Special Meeting – 6:35 p.m.**

● **ROLL CALL**

PRESENT: Martinez, Stephens, Overbeck, Campana, Troxell, Cunniff, Horak

Staff Present: Atteberry, Daggett, Winkelmann

● **CITIZEN PARTICIPATION**

Kevin Harper thanked the City Manager and staff for creating an alternative design for the Prospect and College intersection and suggested a site visit to his property.

Carol Miller thanked staff for creating an alternative plan for the Prospect and College intersection and stated it can be a catalyst for establishing cooperation between the City and the community regarding the affected properties. This alternative plan substantially reduces the impacts to 1535 and 1601 Remington and the costs of construction can be offset using CSU's contribution.

Thomas Edwards discussed a bicycle survey he conducted on Springfield. He asked how many citations were issued for indecent exposure as part of the "undie run" on CSU's campus.

● **CITIZEN PARTICIPATION FOLLOW-UP**

Mayor Pro Tem Horak stated there were no off-campus citations for the "undie run" and two on-campus citations.

● **DISCUSSION ITEMS**

**Executive Session Authorized**

Mayor Pro Tem Horak made a motion, seconded by Councilmember Cunniff, that the City Council go into executive session for the purpose of meeting with the City management and legal staff to discuss: (1) real property acquisitions for the Prospect and College intersection improvements project as permitted under Section 2-3(a)(3) of the City Code and Colorado Revised Statutes Section 24-6-402(4)(a), and (2) specific legal questions related to litigation or potential litigation involving the City as permitted under Section 2-31(a)(2) of the City Code and Colorado Revised Statutes Section 24-6-402(4)(b).
