Subject: The Grove at Fort Collins - neighborhood information meeting

Thank you for attending the neighborhood meeting on December 7, 2010 to participate in the presentation and discussion of the proposed new **Grove at Fort Collins Project Development Plan**. This proposed development plan was submitted to the City on December 8, 2010 to initiate the development review process. It has been through one round of development review and revised plans (based on City staff comments) will be submitted to the City's Development Review Center at some time in the future.

Per your request, I have attached the "**DRAFT**" neighborhood meeting summary notes from the meeting on December 7th. I would very much appreciate it if you would take the time to review these notes and make any appropriate suggestions for additions and/or corrections that you see fit, as these notes were taken in haste as I tried to keep up with the rapid question & answer exchange at the meeting. Responding to me by e-mail will probably be the best way to forward your input, although I assure you that I will do what is necessary to ensure accurate summary notes that will be ultimately forwarded to the Planning & Zoning Board at a public hearing.

Thank you in advance for your time and effort,

Steve Olt
