In the event the committee or its designated representative fails to approve or to disapprove, within 30 days, after plans and specifications have been submitted to it, or in any event, if no suit to enjoin the construction has been commenced, prior to the completion thereof, approval will not be required and the related covenants shall be deemed to have been fully complied with.
- TERM.** These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of thirty years from the date these covenants are recorded, after which time said covenants shall automatically extend for periods of ten years unless an instrument signed by a majority of the then record owners of the lots has been recorded, agreeing to change said covenants in whole or in part.
- ENFORCEMENT.** Enforcement shall be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenant to restrain violation or to recover damages.
