Safeway Marketplace, Fort Collins

Above: Employees with Black Roofing of Boulder direct insulation to be set on the roof of the new Safeway grocery store at 1426 E. Harmony Road in Fort Collins while an employee, left, with Phillips Carpentry in Fort Collins installs rafters for the roof. The 50,000-square-foot, \$2.02 million building will be the anchor for the Harmony Safeway Marketplace. It is expected to be completed this fall. Resource Construction Co. of Denver is the general contractor.
