RE: Approval of Location for a Gasoline Dispensing Service Station

Mr. George Betz of Hansen Realty has submitted preliminary plans for a proposed gasoline dispensing service station to be located on the east side of the twelve hundred block of South College Avenue between Edwards and Pitkin Streets, being lots 2, 3, and 6 of Block 18, Crafts Resubdivision of the Lake Park Addition to the City of Fort Collins. The proposed street address would be 1204 South College Avenue. The area is zoned BL, Limited Business, and a filling station is an authorized use.

The attached sketch with annotations conforms with section 9-22 Code of Ordinances. Request approval of the location as required by section 9-21.
