

HOME BUILDER AGREEMENT FOR \$75 PERMIT FEE REDUCTION

I, (PRINT NAME) Barbara Bartling, representing
(COMPANY NAME) Owner - Builder, as the
builder/contractor of record of the home identified below, hereby agree to utilize the following
systems energy analysis program:

(check one) ENERGY SCORE; E-Star™

to demonstrate compliance with the Fort Collins Energy Code as a condition for receiving a
building permit fee reduction of \$75 upon issuance of the building permit for the home to be

constructed at: 1001 Ogden Court
Fort Collins, CO. 80526.

I understand that all other applicable provisions of the Fort Collins Energy Code,
including following the *Fort Collins Insulation Guidelines*, submitting an insulation certification
form and HVAC certification form, and obtaining a completed "Insulation Inspection"
performed by City staff will be required prior to issuance of a Certificate of Occupancy for the
above home.

Further, I hereby acknowledge that a "preliminary rating" must be submitted to the Fort
Collins Building and Zoning Department in order to obtain an "Insulation Inspection", and that
failure to use either of the energy rating programs named above and meet their respective
established minimum criteria for compliance will result in forfeiture of the \$75 building permit
fee reduction provided hereunder and compliance with the Fort Collins Energy Code must be
demonstrated before a Certificate of Occupancy is authorized by the City.
