To: City of Fort Collins

From: Bartran Homes, Inc.

Attention: Mr. Bill Waldo, Chief Building Inspector

A Footing and Foundation Permit for 1121 BENT TREE CT. is requested by our company. This request is due to the backlog of plans at the Plans Examiner's office, and time required to issue a set of plans. We ask for the Footing and Foundation Permit so that our construction schedules can be met.

Sincerely,

Dayna Longsine
