| | Work Description: This permit is for the fire restoration repairs in the Cottonwood Glen Park restroom building. Work to include replacing 5 trusses per engineered, stamped plans, replace metal roofing material, remove and re-install damaged electrical conduit, replace the ceiling mounted unit electric heater (previous heater instigated the fire) replacing ceiling drywall and repair cracked water line (the bldg. is winterized and closed during winter months). This permit also includes verification of the square footage of the construction of this 721 sq. ft. restroom structure located in the City owned Cottonwood Glen Park. After locating what is believed to be the original permit for the building, B995311, addressed as 3074 Overland Trl., it indicated the square footage as 510 sq. ft. The plans obtained from City Parks department and scanned to electronic for the record, show the building to be 721 sq. ft. (20'9" x 34'9") the discrepancy can be verified at inspection. Owner authorization on file. | | | |
