Rental Housing Investigation/Inspection Request Form

To be filled out by renter of record.

Date Requested: 3/11/2021	
Rental Address: 2808 Eagle Dr, Ft Collins, CO 80526	Owner's Name: Phone #:
Requestor's Name: Phone #: Wendy Fletcher 970-980-4444	Managing Company Name: Phone #: My House 970-689-8803

Reason for Requesting Inspection: Upon move in date 3/10/2021, we took video of house since people were living in it when we did walk through, we did not see or notice many issues with the house. 1 bedroom down stairs has wood board covering stagnant nasty water in the floor. Dryer in garage has wiring only wrapped in electrical tape. Flooring in certain parts of house recess at least 1 inch (possibly 2 inches) when stepped on. That area is above the 2nd bedroom downstairs showing severe water damage which the floor from above can collapse into.
Has the owner or manager been notified of these issues?
