Dear Mr. Waldo:

We have decided to make 1801 Brookwood our new showhome. As a result, we need your permission to convert the garage into a sales office.

Basically, the alterations involve some minor electrical work, sheet-rock, and replacing the garage door with two sliding glass doors.

We would like to use the house as a showhome for a one year period. A separate permit application will be submitted to your office as you requested.

Your approval would be greatly appreciated.

Sincerely,

Tim Rogers
