City Council Meeting - Aug. 20, 2013  
Agenda Item #26

Fort Collins City Council  
300 LaPorte Ave.  
Fort Collins, CO 80521

Dear Mayor Weikunat, Mayor Pro Tem Horak, and Council Members  
Campana, Cunniff, Overbeck, Poppaw and Troxell;

The Fort Collins Area Chamber of Commerce supports the adoption of  
the Agreement Between the City and Custom Blending, Inc. to Provide  
Business Investment Assistance.

This expansion by a primary employer in Fort Collins is exactly the kind of  
economic growth city government should support, i.e., an existing company  
that has been a great business citizen making capital investments and  
creating good jobs.

We encourage the Council to support the growth of our primary employment  
base by voting 'yes' on the Custom Blending Business Investment  
Agreement.

Sincerely,  
**Fort Collins Area Chamber of Commerce**
