I'd like to have the stated purpose of each meeting and location of each meeting too, please.

With limited exceptions, emails and any files transmitted with them are subject to public disclosure under the Colorado Open Records Act (CORA). To promote transparency, emails will be visible in an online archive, unless the sender puts #PRIVATE in the subject line of the email. However, the City of Fort Collins can't guarantee that any email to or from Council will remain private under CORA.

Subject: Request: Social Sustainability meetings (Council SAR #27119)

Darin,

I would like to have a breakdown of the Social Sustainability Office's meetings with agencies and providers regarding the issue around homelessness. Specifically, how many meetings have there been since the May 7 enforcement sweep, who was at each meeting, where were the meetings held, and what was the outcome of each meeting? Also, please provide meeting minutes.

Thanks,
Ross Cunniff
