FIVE YEARS FOR THE PROPOSED ENLARGEMENT OF HALLIGAN RESERVOIR

WHEREAS, City Code Section 8-186(a) states that no contract for services or professional services, including all renewals, shall be made by the City for a period longer than five years, unless authorized by ordinance, which ordinance shall not be passed as an emergency ordinance; and

WHEREAS, City is pursuing the Halligan Water Supply Project ("Project"), which includes the City's preferred alternative of the enlargement of Halligan Reservoir, an existing reservoir located on the North Fork of the Cache la Poudre River; and

WHEREAS, the enlargement of Halligan Reservoir will be a substantial undertaking that will require significant design and construction work, the specifics of which depend on various investigations that are planned to be completed; and

WHEREAS, the work associated with the enlargement of Halligan Reservoir, including design and construction work, will likely take more than five years due to various factors, including the scope of the Project and legal and regulatory requirements; and

WHEREAS, it is in the best interest of the City and the citizens of Fort Collins, including ratepayers of Fort Collins Utilities, that the Purchasing Agent be authorized to enter into contracts for services, professional services, and/or construction in excess of five years for the proposed enlargement of Halligan Reservoir in order to, among other things, receive better proposals for the design and construction work, maintain continuity of the design and construction work throughout the Project, and therefore avoid costs related to transitions of project team members due to contract expiration.
