OF THE COUNCIL OF THE CITY OF FORT COLLINS
APPROPRIATING UNANTICIPATED PHILANTHROPIC REVENUE FROM NEW
BELGIUM BREWING IN THE GENERAL FUND AND TRANSFERRING IT TO THE
CAPITAL PROJECTS FUND FOR THE POUDBRE RIVER REACH 4 FEASIBILITY STUDY

WHEREAS, the City’s Poudre River Master Plan identifies six “reaches,” or continuous stretches of the river, each with a unique set of characteristics and recommendations for improvements; and

WHEREAS, New Belgium Brewing has donated to the City \$10,000 to fund the “Reach 4 Feasibility Study,” which will enable the City to identify the features desired in that stretch of the Poudre River between the BNSF railroad bridge east of North College Avenue and the Linden Street bridge (the “Study”); and

WHEREAS, the Study will also evaluate the feasibility, permitting requirements, and potential costs for the improvements; and

WHEREAS, this Ordinance appropriates these unanticipated revenues from the General Fund and transfers them to the Capital Projects Fund to supplement \$125,000 in funding previously appropriated for the Study; and

WHEREAS, this appropriation benefits public health, safety and welfare of the residents of Fort Collins and serves the public purpose of furthering public access and improvements to an important segment of the Poudre River near downtown; and

WHEREAS, Article V, Section 9, of the City Charter permits the City Council to make supplemental appropriations by ordinance at any time during the fiscal year, provided that the total amount of such supplemental appropriations, in combination with all previous appropriations for that fiscal year, does not exceed the current estimate of actual and anticipated revenues to be received during the fiscal year; and

WHEREAS, the City Manager has recommended the appropriation described herein and determined that these appropriations are available and previously unappropriated from the General Fund and will not cause the total amount appropriated in the General Fund to exceed the current estimate of actual and anticipated revenues to be received in these funds during the fiscal year; and

WHEREAS, Article V, Section 10, of the City Charter authorizes the City Council to transfer by ordinance any unexpended and unencumbered appropriated amount or portion thereof from one fund or capital project account to another fund or capital project account, provided that the purpose for which the transferred funds are to be expended remains unchanged; and

WHEREAS, the City Manager has recommended the transfer described herein and determined that the purpose for which the transferred funds are to be expended remains unchanged.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF FORT COLLINS as follows:

Section 1. That the City Council hereby makes and adopts the determinations and findings contained in the recitals set forth above.
