WHEREAS, the City recently was awarded a grant in the amount of \$15,588 (the "Grant") by the State Historical Fund; and

WHEREAS, the Grant requires \$6,000 in matching funds from the City, which have been appropriated and are available in the General Fund for this purpose; and

WHEREAS, the Grant will fund a historic context report on local architect William "Bill" Robb and the many projects he and his firm, now known as RB+B, designed in Fort Collins; and

WHEREAS, the results of this historic context report will be used to promote awareness and pride within the neighborhood, and will provide the City with the tools to make informed planning decisions; and

WHEREAS, Article V, Section 9 of the City Charter permits the City Council, upon recommendation of the City Manager, to make supplemental appropriations by ordinance at any time during the fiscal year, provided that the total amount of such supplemental appropriations, in combination with all previous appropriations for that fiscal year, does not exceed the current estimate of actual and anticipated revenues to be received during the fiscal year; and

WHEREAS, the City Manager has recommended the appropriation described herein and determined that this appropriation is available and previously unappropriated from the General Fund and will not cause the total amount appropriated in the General Fund to exceed the current estimate of actual and anticipated revenues to be received in that Fund during this fiscal year; and

WHEREAS, Article V, Section 10 of the City Charter authorizes the City Council, upon recommendation by the City Manager, to transfer by ordinance any unexpended and unencumbered appropriated amount or portion thereof from one fund or capital project to another fund or capital project, provided that the purpose for which the transferred funds are to be expended remains unchanged, the purpose for which the funds were initially appropriated no longer exists, or the proposed transfer is from a fund or capital project in which the amount appropriated exceeds the amount needed to accomplish the purpose specified in the appropriation ordinance; and

WHEREAS, the City Manager has recommended the transfer described herein and determined that the purpose for which the transferred funds are to be expended remains unchanged.
