OF THE COUNCIL OF THE CITY OF FORT COLLINS
APPROPRIATING PRIOR YEAR RESERVES IN THE COMMUNITY CAPITAL
IMPROVEMENT PROGRAM FUND FOR PUBLIC ENGAGEMENT FOR THE
SOUTHEAST COMMUNITY INNOVATION CENTER AND POOL

WHEREAS, in April 2015, Fort Collins voters passed a ten-year quarter cent (.25%) sales tax renewal dedicated to community capital improvements, known as “Building on Basics” or “BOB”; and

WHEREAS, in Resolution 2015-012, one of the projects the City Council specified would be funded with BOB proceeds is a southeast community center with an outdoor pool, focused on innovation, technology, art, recreation, and the creative process (the “Project”); and

WHEREAS, the Project is scheduled to be designed in 2022, and Recreation staff wishes to use \$100,000 of the BOB proceeds to engage an consultant to conduct public outreach that will be used to help develop a program plan for this unique facility; and

WHEREAS, this appropriation benefits the public health, safety and welfare of the residents of Fort Collins and serves the public purpose of ensuring that the Project will be designed to best serve the needs of the community; and

WHEREAS, Article V, Section 9 of the City Charter permits the City Council, upon the recommendation of the City Manager, to appropriate by ordinance at any time during the fiscal year such funds for expenditure as may be available from reserves accumulated in prior years, notwithstanding that such reserves were not previously appropriated; and

WHEREAS, the City Manager has recommended the appropriation described herein and determined that this appropriation is available and previously unappropriated from the Community Capital Improvement Program Fund and will not cause the total amount appropriated in the Community Capital Improvement Program Fund to exceed the current estimate of actual and anticipated revenues to be received in that Fund during this fiscal year.

Section 1. That the City Council hereby makes and adopts the determinations and findings contained in the recitals set forth above.
