

RESOLUTION 73-1
OF THE COUNCIL OF THE CITY OF FORT COLLINS ACCEPTING
THE REPORT AND RECOMMENDATIONS OF THE DESIGNING TOMOR-
ROW TODAY COMMITTEE

WHEREAS, heretofore, a committee was formed in the City designated as Designing Tomorrow Today, and

WHEREAS, such committee was made up of citizens of the City representative of all groups and interests in the City, and

WHEREAS, the purpose of such committee was to make such recommendations to the City Council and the Citizens of the City of Fort Collins regarding public facilities and projects necessary for the ^{cultural, social and economic} advancement of the community in the future, and

WHEREAS, such committee has completed its study and has made a report to the City Council of its recommendations for the future of the City of Fort Collins, a copy of such report is attached hereto, and

WHEREAS, the City Council has considered and studied the report of the Designing Tomorrow Today Committee and has heretofore adopted an ordinance, as recommended by said committee, increasing the sales tax in the City in order to provide the necessary funds to accomplish the objectives of said report and recommendations, which ordinance will be voted upon by the people of the City in the election to be held on February 20, 1973, and

WHEREAS, the City Council desires to set forth its intentions in the event such increased sales tax is approved by the voters of the City at said election

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF FORT COLLINS

Section 1 That the report of the Designing Tomorrow Today Committee is hereby accepted by the City Council of the City of Fort Collins

Section 2 The recommendations contained in such report regarding public facilities and projects proposed to be acquired and constructed for the City are accepted by the City Council as the Master Plan of the City for

Section 3 The Administration of the City is hereby directed to take such steps as are necessary to accomplish the goals and objectives set forth in the report in accordance generally with the priorities therein contained and the City Administration is further directed to report to the City Council in regular meeting at least annually as to progress made on the recommendations of the Designing Tomorrow Today Committee

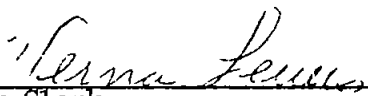

Section 4 The City Council recognizes that changing conditions in the future may require changes in the goals and priorities set forth in the Master Plan and that many variables, including available funding, the availability of land necessary for certain proposed projects, and the ability of the City to meet increased operating revenue needs caused by the projects in question may necessitate changes in the Master Plan in the future No such changes shall be made however, until the need for such change has been studied by the Designing Tomorrow Today Committee and a report made thereon by such Committee to the City Council, and such changes shall be made by the City Council only after a public hearing by the Council on the reports and recommendations made on such proposed changes

Passed and adopted at a regular meeting of the City Council held this 4th day of January, A D 1973
