 (Poudre River Public Library District)
 (College & Drake Urban Renewal Plan)

This Tax Increment Revenue Agreement (the “Agreement”) is entered into as of _____, 2019 (the “Effective Date”) by and between the FORT COLLINS URBAN RENEWAL AUTHORITY, a body corporate and politic of the State of Colorado (the “Authority”), whose address is 222 LaPorte Avenue, P.O. Box 580, Fort Collins, CO 80522, and the POUDRE RIVER PUBLIC LIBRARY DISTRICT, a political subdivision of the State of Colorado (the “Library District”), whose address is 301 E. Olive Street, Fort Collins, CO 80524. The Authority and the Library District are referred to herein individually as a “Party” and collectively as the “Parties.”

RECITALS.

The following recitals are incorporated in and made a part of this Agreement. Capitalized terms used herein and not otherwise defined are defined in Section 1 below.

A. **Proposed Redevelopment.** The Parties have been advised that the real property described in Exhibit A (the “Property”) lying within the corporate limits of the City of Fort Collins (the “City”) is being studied for designation as an urban renewal area to be redeveloped by one or more developers and/or property owner(s) as a mixed use development(s) that will eliminate existing blighted conditions which constitute threats to the health, safety and welfare of the community and barriers to development.

B. **Urban Renewal and Tax Increment Financing.** To accomplish the proposed redevelopment and to provide certain required improvements, the Authority has recommended inclusion of the Property in a proposed urban renewal plan, entitled the “College & Drake Urban Renewal Plan” (the “Plan” or “Urban Renewal Plan”) authorizing and utilizing tax increment financing in accordance with the Colorado Urban Renewal Law, Part 1 of Article 25 of Title 31, C.R.S. (the “Act”), to pay Eligible Costs of the Improvements. The proposed Plan that includes the Property has been provided to the Library District under separate cover. The final Plan approved by the City Council of the City shall be the “Plan” for purposes of this Agreement.

C. **Nature of Urban Renewal Project and Purpose of Agreement.** The proposed Urban Renewal Project consists of designing, developing and constructing the Improvements (which includes paying the Eligible Costs of public improvements) necessary to serve the proposed Urban Renewal Area and to comply with §31-25-107(4)(g) of the Act that requires the Plan to afford maximum opportunity, consistent with the sound needs of the municipality as a whole, for the rehabilitation or redevelopment of the Urban Renewal Area by private enterprise. Approval of the Urban Renewal Plan is subject to recent legislation, including requirements imposed by HB 15-1348 for new urban renewal plans adopted after January 1, 2016.

D. **Fiscal Impact Model.** The Library District and the Authority, along with other taxing districts, have undertaken and utilized a system prepared by the Larimer County TIF Study Group in 2015-2016 (the “Fiscal Impact Model”), to assess the financial and economic impacts of the Plan on the Library District and other taxing districts.

E. Equitable Deal Structure. The Library District and the Authority, along with other taxing districts, have undertaken to prepare an equitable deal structure including a significant contribution of City incremental property tax and incremental sales tax revenues.

F. Colorado Urban Renewal Law. In accordance with the Act as amended to the date of this Agreement (including the requirements of HB 15-1348 and SB 18-248), the Parties desire to enter into this Agreement to facilitate adoption of the Plan and redevelopment of the proposed Urban Renewal Area described therein. The Agreement addresses, among other things, the estimated impacts of the Urban Renewal Plan on Library District services associated solely with the Urban Renewal Plan.

3. PROPERTY TAX INCREMENT REVENUES. In compliance with the requirements of HB 15-1348 and SB 18-248, the Parties have negotiated and agreed to the sharing of Property Tax Increment Revenues as set forth herein.

3.1. Library District Increment Revenues. The Library District and the Authority agree that the Authority may retain and expend in furtherance of the Urban Renewal Project sixty-six percent (66%) of the Library District Increment, commencing on the date of approval by the City of the Plan, and ending upon the earlier of: (a) the occurrence of the Duration; or (b) the payment

in full of any debt, as defined in the Act, incurred to pay for the Improvements; or (c) the date on which the Cap is reached, at which time the Library District Increment shall be provided by the County Assessor to the Library District. The Authority shall annually provide a written report to the Library District on progress towards completion of the Improvements included in Exhibit B. The report shall include information related to any significant changes in project scope or cost.

3.2. Mill Levy Allocation. If the Library District's eligible electors approve a new or increased mill levy for any lawful purpose above the Library District's 3.000 mill levy existing as of the Effective Date of this Agreement ("Future Mill Levy"), any revenue derived from the Future Mill Levy shall not be considered part of the Library District Increment. Rather, upon approval by the eligible electors of the Library District of a Future Mill Levy, the Library District shall provide notification of the same to the Authority. From the date of such notice until the Duration has expired, the Authority shall annually deduct from the Property Tax Increment Revenues it receives any revenues attributable to the Future Mill Levy, as applicable, and shall remit such revenues to the Library District.

4. PLEDGE OF PROPERTY TAX INCREMENT REVENUES. The Library District recognizes and agrees that in reliance on this Agreement and in accordance with the provisions of §31-25-109(12) of the Act, the adoption and approval of the Plan may include an irrevocable pledge of all of the Property Tax Increment Revenues, including the Library District Increment, to pay the Authority's Bonds (if any are issued) and other financial obligations in connection with the Urban Renewal Project. The Authority has elected to apply the provisions of §11-57-208, C.R.S., to this Agreement. The Property Tax Increment Revenues, when and as received by the Authority are and shall be subject to the lien of such pledge without any physical delivery, filing, or further act and are and shall be an obligation of the Parties pursuant to §31-25-107(9)(b) of the Act. The Parties agree that the creation, perfection, enforcement and priority of the pledge of the Property Tax Increment Revenues as provided herein shall be governed by §11-57-208, C.R.S. The lien of such pledge on the Property Tax Increment Revenues shall have priority over any of all other obligations and liabilities of the Parties with respect to the Property Tax Increment Revenues.

5. NOTIFICATION OF PROPOSED MODIFICATIONS OF THE PLAN; AGREEMENT NOT PART OF PLAN. The Authority agrees to notify the Library District of any intended modification of the Plan as required by §31-25-107(7) of the Act. This Agreement is not part of the Plan.

6. WAIVER. Except for the notices required by this Agreement, the Library District, as authorized by §31-25-107(9.5)(b) and §31-25-107(11) of the Act, hereby waives any provision of the Act that provides for notice to the Library District, requires any filing with or by the Library District, requires or permits consent from the Library District, and provides any enforcement right to the Library District for the Duration, provided, however, the Library District shall have the right to enforce this Agreement.

7. LIMITATION OF AGREEMENT. This Agreement applies only to the Library District Increment, as calculated, produced, collected and paid to the Authority from the Urban Renewal Area by the Larimer County Treasurer in accordance with §31-25-107(9)(a)(II) of the Act and the

rules and regulations of the Property Tax Administrator of the State of Colorado, and does not include any other revenues of the Library District, County, City or the Authority.

Any delays in or failure of performance by any Party of its obligations under this Agreement shall be excused if such delays or failure are a result of acts of God; fires; floods; earthquake; abnormal weather; strikes; labor disputes; accidents; regulation or order of civil or military authorities; shortages of labor or materials; or other causes, similar or dissimilar, including economic downturns, which are beyond the control of such Party.

8.2. Termination and Subsequent Legislation or Litigation. In the event of termination of the Plan, including its TIF financing component, the Authority may terminate this Agreement by delivering written notice to the Library District. The Parties further agree that in the event legislation is adopted or a decision by a court of competent jurisdiction after the effective date of this Agreement that invalidates or materially effects any provisions hereof, the Parties will in good faith negotiate for an amendment to this Agreement that most fully implements the original intent, purpose and provisions of this Agreement, but does not impair any otherwise valid contracts in effect at such time.

8.3. Entire Agreement. This instrument embodies the entire agreement of the Parties with respect to the subject matter hereof. There are no promises, terms, conditions, or obligations other than those contained herein; and this Agreement shall supersede all previous communications, representations, or agreements, either verbal or written, between the Parties hereto. Nothing in this Agreement shall be construed as a waiver of the rights and privileges of the Parties pursuant to the Colorado Governmental Immunity Act, § 24-10-101, et seq., C.R.S., as the same may be amended from time to time. No portion of this Agreement shall be deemed to have created a duty of care which did not previously exist with respect to any person not a party to this agreement.

8.7. Amendment. This Agreement may be amended only by an instrument in writing signed by the Parties.

8.8. Parties not Partners. Notwithstanding any language in this Agreement or any other agreement, representation, or warranty to the contrary, the Parties shall not be deemed to be

partners or joint venturers, and no Party shall be responsible for any debt or liability of any other Party.

8.9. Interpretation. All references herein to Bonds shall be interpreted to include the incurrence of debt by the Authority in any form consistent with the definition of "Bonds" in the Act, including payment of Eligible Costs or any other lawful financing obligation.

8.10. Incorporation of Recitals and Exhibits. The provisions of the Recitals and the Exhibits attached to this Agreement are incorporated in and made a part of this Agreement.

8.12. Section Captions. The captions of the sections are set forth only for the convenience and reference of the Parties and are not intended in any way to define, limit, or describe the scope or intent of this Agreement.

8.13. Execution in Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute but one and the same instrument.

8.14. Governing Law. This Agreement and the provisions hereof shall be governed by and construed in accordance with the laws of the State of Colorado.

8.15. No Presumption. The Parties to this Agreement and their attorneys have had a full opportunity to review and participate in the drafting of the final form of this Agreement. Accordingly, this Agreement shall be construed without regard to any presumption or other rule of construction against the Party causing the Agreement to be drafted.

8.16. Notices. Any notice required by this Agreement shall be in writing. All notices, demands, requests and other communications required or permitted hereunder shall be in writing, and shall be (a) personally delivered with a written receipt of delivery; (b) sent by a nationally-recognized overnight delivery service requiring a written acknowledgement of receipt or providing a certification of delivery or attempted delivery; (c) sent by certified or registered mail, return receipt requested; or (d) sent by confirmed facsimile transmission or electronic delivery with an original copy thereof transmitted to the recipient by one of the means described in subsections (a) through (c) no later than 5 business days thereafter. All notices shall be deemed effective when actually delivered as documented in a delivery receipt; provided, however, that if the notice was sent by overnight courier or mail as aforesaid and is affirmatively refused or cannot be delivered during customary business hours by reason of the absence of a signatory to acknowledge receipt, or by reason of a change of address with respect to which the addressor did not have either knowledge or written notice delivered in accordance with this paragraph, then the first attempted delivery shall be deemed to constitute delivery. Each Party shall be entitled to change its address for notices from time to time by delivering to the other Party notice thereof in the manner herein provided for the delivery of notices. All notices shall be sent to the addressee at its address set forth in the Preamble to this Agreement.

8.17. Days. 8.18. Precedent. The Parties agree that this Agreement is entered into for the specific Plan described herein.
