

RESOLUTION 90- 176  
OF THE COUNCIL OF THE CITY OF FORT COLLINS  
AUTHORIZING THE MAYOR TO ENTER INTO AN INTERGOVERNMENTAL  
AGREEMENT WITH THE FORT COLLINS-LOVELAND WATER  
DISTRICT FOR THE SALE OF TREATED WATER AND  
TERMINATING CERTAIN EXISTING AGREEMENTS

WHEREAS, on November 16, 1989, the City of Fort Collins ("the City") and the Fort Collins-Loveland Water District ("the District") entered into an agreement for the mutual treatment, transmission and delivery of drinking water; and

WHEREAS, on May 31, 1990, the City and the District entered into an agreement for the sale of drinking water by the City to the District; and

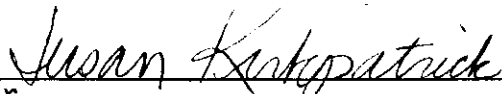

WHEREAS, the District has determined to delay any major expansion of its treatment facility, and accordingly, will not need the benefit of the agreement between the City and the District for the mutual treatment, transmission and delivery of drinking water; and

WHEREAS, because of the District's delay in expansion of its treatment facility, the District desires a longer term agreement with the City for the sale of drinking water to the District; and

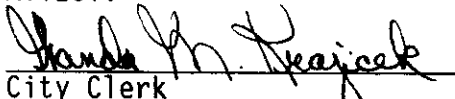

WHEREAS, for the foregoing reasons, the City and the District wish to terminate the aforesaid agreements and enter into a new agreement for the sale of drinking water by the City to the District.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF FORT COLLINS that the Mayor be, and she hereby is, authorized to enter into an intergovernmental agreement with the Fort Collins-Loveland Water District for the sale of treated water to the District, with said agreement to continue until December 31, 2006, and with the District to have the option to extend said agreement for an additional fifteen (15) years. The District shall provide the City with a volume of raw water equal to the quantity of treated water delivered by the City to the District, and the District shall pay the City fifty cents (\$0.50) per one thousand (1,000) gallons of treated water for the year 1991, with said rate to be adjusted in subsequent years based upon rate factors calculated to fully compensate the City for its costs in treating and delivering the water to the District.

Passed and adopted at a regular meeting of the Council of the City of Fort Collins held this 18th day of December, A.D. 1990.
