

RESOLUTION 94-192
OF THE COUNCIL OF THE CITY OF FORT COLLINS
ADOPTING A FARE STRUCTURE FOR DIAL-A-RIDE

WHEREAS, the City presently provides Dial-A-Ride services, at no charge, to persons with disabilities who are eligible to use this service under the Americans With Disabilities Act "ADA"; and

WHEREAS, the City also presently provides Dial-A-Ride services to persons sixty years of age and older; and

WHEREAS, the City's actual number of Dial-A-Ride trips have greatly exceeded the City's estimated usage, and therefore increased the cost for providing these services; and

WHEREAS, in order to help offset some of the cost of providing Dial-A-Ride services, it is necessary for the City to impose a fare for such service; and

WHEREAS, the ADA allows the City to charge a fare to ADA eligible customers for Dial-A-Ride services up to twice the amount of the full fare charged for Transfort fixed-route services; and

WHEREAS, charging all Dial-A-Ride customers a fare according to the following schedule will partially offset the City's cost of providing Dial-A-Ride services.

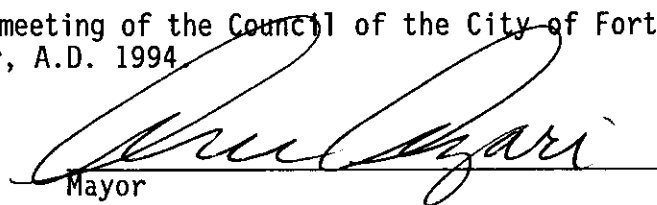

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF FORT COLLINS that the fare to be charged to all users of the City's Dial-A-Ride services shall be as follows:

From January 1, 1995, through December 31, 1995, the fare shall be equal to the full amount of the full adult fare charged to persons using Transfort fixed-route services.

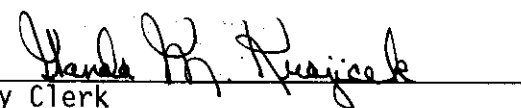

From January 1, 1996, through December 31, 1996, the fare shall be equal to one and one-half times the full amount of the adult fare charged to persons using Transfort fixed-route services.

From January 1, 1997, and thereafter, the fare shall be equal to twice the full amount of the adult fare charged to persons using Transfort fixed-route services.

Passed and adopted at a regular meeting of the Council of the City of Fort Collins held this 6th day of December, A.D. 1994.
