

RESOLUTION 89-168
OF THE COUNCIL OF THE CITY OF FORT COLLINS
AUTHORIZING THE CITY MANAGER TO
ENTER INTO A PROFESSIONAL SERVICES AGREEMENT
WITH BLACK AND VEATCH ENGINEERS FOR
CONSTRUCTION ADMINISTRATION SERVICES FOR THE
WATER PLANT OPTIMIZATION PROJECT

WHEREAS, following closure of the City's Poudre Canyon Water Treatment Plant, the City embarked upon a project to optimize the treatment plant capacity of the LaPorte Avenue Water Treatment Plant; and

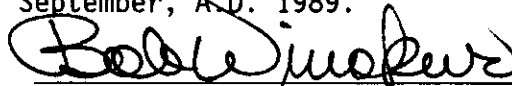

WHEREAS, as a part of said Optimization Project, Black and Veatch Engineers provided services in exploring the various mechanisms for optimizing the City's Water Treatment Plant capacity and provided design engineering services for the design of the mechanism selected; and

WHEREAS, Black and Veatch Engineers has provided valuable service to the City with respect both to the Plant relocation and the Expansion Project, as well the Optimization Project; and

WHEREAS, because of Black and Veatch Engineers' familiarity with said Plant and its technology, and with the Optimization Project which it has designed, the Council does hereby determine that the engineering services during construction to be provided for the Optimization Project are so limited that the normal bid process cannot be used or will result in substantially higher costs to the City, and accordingly, that Black and Veatch Engineers should be selected for the performance of said construction engineering services.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF FORT COLLINS that the City Manager be, and he hereby is, authorized to enter into a professional services agreement with Black and Veatch Engineers for the purpose of construction administration and engineering services for the construction phase of the Water Plant Optimization Project, for a total cost not to exceed One Hundred Ninety-one Thousand Eight Hundred Seventy-eight Dollars (\$191,878).

Passed and adopted at a regular meeting of the Council of the City of Fort Collins held this 19th day of September, A.D. 1989.
