Re: 2007 work plan

2007 Land Conservation and Stewardship Board Work Plan

Review proposed land and water transactions, including fee acquisitions, sales, conservation easements, and right of way easements. Make recommendations to Council as necessary.

Review various legislative and policy proposals that have a relationship to the Natural Areas Program. Make recommendations to Council as necessary.

Periodically review and comment on the Soapstone Prairie Natural Area Management Plan as it is developed.

Consider possible nomination of Soapstone to be on the National Park Service UNESCO World Heritage tentative list for nomination as a world heritage site.

Review staff's proposed wildlife management plan; possible recommendation to Council.

Periodically review the Natural Areas budget; participate as necessary in Budgeting for Outcomes.

Review and comment on Natural Area management plans as needed.

Organize and hold meetings with the Larimer County Open Lands Board, and the City's Natural Resources Advisory Board and/or Parks Advisory Board to discuss issues of mutual interest.
