

2008 Land Conservation and Stewardship Board Work Plan

Review proposed land and water transactions, including fee acquisitions, sales, conservation easements, and right of way easements and make recommendations to Council as necessary.

Review various legislative and policy proposals that have a relationship to the Natural Areas Program and make recommendations to Council as necessary.

Periodically review and comment on improvements (e.g., trails, structures) made to Soapstone Prairie Natural Area.

Review community separator and other land conservation plans and provide input on prioritization of land protection. Provide this input to both City Council and to Planning staff.

Receive updates on implementation of the wildlife management plan, including prairie dog management.

Periodically review the Natural Areas budget and provide input on spending prioritization. Participate as necessary in Budgeting for Outcomes.

Review and comment on Natural Area management plans as needed.

Organize and hold meetings with the Larimer County Open Lands Board, and the City's Natural Resources Advisory Board and/or Parks Advisory Board to discuss issues of mutual interest.
