

Land Conservation and Stewardship Board Work Plan For 2010

1. Review proposed land and water conservation transactions, including fee acquisitions, sales, conservation easements, and right of way easements and make recommendations to Council as necessary.
2. Review and provide input on the Natural Areas exhibits for the new museum.
3. Review and provide input on the Natural Areas Strategic Plan for 2010.
4. Review various legislative and policy proposals that have a relationship to the Natural Areas Program and make recommendations to Council as necessary.
5. Periodically review plans for local, regional, and community separator land conservation and provide input on prioritization of land conservation efforts. Provide this input to City Council and Planning staff as appropriate.
6. Receive updates and provide input on wildlife management, including prairie dog management.
7. Review the Natural Areas 2011 and 2012 budget as a part of the BFO Budget process, and provide input on these budgets and the long term financial and staffing plans.
8. Review and comment on Natural Area and Poudre River Natural Area management plans as needed.
9. Periodically organize and hold meetings with the Larimer County Open Lands Board, the City's Natural Resources Advisory Board and Parks Advisory Board, and Loveland's Open Lands Board to discuss issues of mutual interest.
10. Provide one LCSB member to serve on the Bicycle Advisory Committee, who reports back to and seeks input from the LCSB.
