IV. Speaker(s)

Amy Lewin, Senior Transportation Planner

Emma Belmont, Transit Planner- West Elizabeth Enhanced Travel Corridor

Reaching the end of the task timeline at which point they hope to get our recommendation on the plan which they will bring to City Council. Trying to solve the need for more buses, safety for bikers and walkers, and ease of driving for motorists. Recommended design for Transit: higher frequency transit service, enhanced transit stops, connection to MAX, and new Foothills Campus internal shuttle route. Recommended design for Biking: protected/buffered bike lanes, intersection treatments, pilot protected intersection, bus stop islands with passing lane, crossing improvements at certain intersections. Recommended design for Walking: detached sidewalks and landscaped parkways, new and/or enhanced crossings. Recommended design for Driving: four travel lanes in busiest segments, center turn lanes, median in select locations, access management around campus west, roundabout at overland trail. Going to City Council August 16, Gregory wells motions to recommend the design as presented; Gosha Croitor seconds the motion; unanimously approved by all members.

V. Updates

A. Bridging the Gap 2016

Date and time locked in at September 21 from 10:00 a.m., online registration beginning very soon. Will email the board to get a final list of attendees which fees are covered by Senior Advisory Board. Also plan to host a table with information during the networking portion of the event. The Senior Center's very own SOAP Troupe will be the entertainment for the event.

B. Partnership for Age Friendly Communities

Many of the groups are making great strides around town. In particular the Dementia training group has been making their way around town at various businesses including many City of Fort Collins departments. Upcoming volunteer appreciation event on September 22nd here at the Senior Center from 4:00 p.m. to 7:00 p.m.

C. Senior Transportation Coalition

Discussion on areas of Larimer County will be served seeing as though it is such a large area to cover. Including which parts of the unincorporated county would be realistic to serve. A suggestion of some type of website where people could post their driving plans and see if someone in a surrounding rural area wanted to join.

VI. New Business- Brief Discussion on Any Issues of Concern

A. Education

Budgeting for Outcomes—City of Fort Collins works on 2 year budget plan working of 7 outcome areas. Currently in the process of budgeting for 2017-2018 years. Area on the City of Fort Collins website where you can essentially put your vote in or give feedback on each of the areas. There are specific issues that

members of the board are supportive of and each member is encouraged to take a deeper look and perhaps come next month with letters of support/suggestion which can be voted on at that time.

- B. Outreach
- C. Advocacy

VII. Adjourn

Meeting adjourned at 1:28 p.m.
