

MEMORANDUM

DATE: 07 February 1997  
TO: Mayor Azari and City Council Members  
FROM: John Fooks, Chair, Air Quality Advisory Board  
SUBJECT: 1996 Annual Report

The Air Quality Advisory Board met in 12 regular meetings, two special meetings, and numerous committee meetings during 1996. Following is a summary of the Board's activities:

COMMUNICATIONS TO CITY COUNCIL

- ▶ Memo endorsing the Larimer County Pollution Prevention Program
- ▶ Review and Comment on Capitol Improvement Items
- ▶ Memo recommending the reevaluation of the priorities of the Transportation Demand Management Program
- ▶ Memo with boardmember comments regarding the Transportation Maintenance Fee
- ▶ Review and Comment to Council regarding Timberline Extension
- ▶ Memo on 1997 Budget Considerations
- ▶ Review and comments on City Plan
- ▶ Memo recommending adoption of the proposed Structure Plan and proposed Master Streets Plan

GENERAL ACTIONS

- ▶ Addressed the Air Quality Action Plan Biennial Review.
- ▶ SIP Committee Review and Comments to Board
- ▶ Established a Benchmark Committee in an effort to gain information that will help the Board and the Natural Resources Department in making significant changes in improving air quality in the City.
- ▶ CO Review and Information Program
- ▶ Held a retreat.
- ▶ Radon Principles and Recommendations to Council
- ▶ Met with Chairs from the Natural Resources Advisory Board and the Transportation Board.
- ▶ Membership changes (include names)
- ▶ Established an Inspection and Maintenance Committee to look at improving the existing program by focusing on per-mile tailpipe emissions.
- ▶ Revision of the Air Quality Action Plan
