SUBJECT: Annual report -- Air Quality Advisory Board

-----

City Council appointed the Air Quality Advisory Board in August 1994, and it has met monthly beginning in September. The Board has spent its first four months getting organized and coming up to speed with the City's current air quality plans and programs. The Board also considered three items specifically requested by Council, (1) the Congestion Management Plan, (2) the Chamber's proposed Managed Growth Strategies, and (3) the work plan for the vehicle inspection and maintenance project.

End of Item 34.
