DATE: February 2, 1993

TO: The Honorable Mayor and Members of City Council

FROM: Michael W. Gebo, Building Inspection

RE: 1992 Commission on Disability Annual Report

Primary goals and objectives accomplished by the Commission on Disability (COD) in 1992 include the Mayor's Award presentation and assisting the City of Fort Collins facilities, engineering and building inspection divisions in eliminating and preventing architectural barriers. The Commission also worked closely with Larimer County ADA task force.

The Mayor's Awards were held October 20, 1992 during the City Council meeting. Eight awards were given to individuals as well as businesses in Fort Collins.

COD worked closely with the Larimer County ADA Task Force reviewing, understanding and implementing the new ADA Regulations. COD worked closely with facilities this year. Commission members served on committees regarding the remodeling of City buildings, as well as new construction planned for the City.

COD continued its role in verifying code compliance for building accessibility, advocating accessibility improvements and making recommendations to city staff.
