**FT. COLLINS MUSEUM REPORT  
CULTURAL RESOURCES BOARD  
JUNE 23, 1993**

**STAFF**

The staff has been engaged in re-evaluating the volunteer program. Improved volunteer training manuals, applications, and evaluations will be forth coming for collections, museum shop and receptionists positions. Kara Kwiatkowski has been hired to replace Jill Gardner, our hourly Museum Assistant who has accepted a permanent position at the Hiwan Homestead. Kara will be coordinating the museum shop volunteers, managing the gift shop, overseeing the VAX operations of the budget system and supervising weekend community service workers.

**PHYSICAL FACILITY  
MUSEUM STORAGE**

Negotiations continue with Gary Suisman, publisher of the Coloradoan. The museum anticipates this temporary museum storage would be used for oversized collections and exhibit furniture. The Power Plant property has been leased to CSU and the current building will be demolished in 1994.

**PROGRAMS**

The RENDEZVOUS was a tremendous success! Some 616 people were estimated to have participated. Barbecue venison sandwiches were served. Seven tepee lodges were erected with approximately 17 mountain men re-enactors participating. The Pawnee Nation Singers and Drummers were an added attraction this year with some 200 folks watching that performance.

**SUMMER ACTIVITIES**

**SKOOKUM DAY - JULY 17, 1993**

**Mall Outlet Update**

A major change has occurred regarding the Foothills Mall outlet. The mall management came to the realization that the original space was difficult to make work and have donated a much better space. The ticket outlet will now be located in one of the mall wall stores in the hallway just to the south of Foleys. Plans are on course to open the outlet August 16th.

**ADA Renovations**

Lincoln Center received a list of Renovations for ADA compliance for 1993. These include:

- Visual Alarms
- Door Closures
- Sinage
- Floor Mats
- Door Handles/Grab Bars

**Doug Varone Dance Residency**

Lincoln Center is sponsoring an all day dance residency with Doug Varone. The residency will be held Saturday, July 17th. He will be conducting 3 master classes. The residency is being held in cooperation with Fort Collins Dance Alliance, CSU, and Canyon Concert Ballet.

**Visual Arts**

"Art-on-a-stick" sculpture show will be installed by June 28th. The show has been curated by Bill Amundson and features whimsical sculpture mounted on poles.

Lincoln Center Staff has installed new overhead lighting in the garden to replace ground lighting. Ground lighting was difficult to maintain due to lawn maintenance and vandalism.

Bill Swets donated sculpture "Big Bird, Jr" will be permanently installed on the East side of the Center. Cement pad has been poured and installation will take place in July.
