BACKGROUND

The applicant, Stanley Everitt, on behalf of the property owners, Leonard and Barbara Plank, has submitted a written petition requesting annexation of 17.35 acres located at the southeast corner of Kechter Road and Ziegler Road. The property is developed as a single-family residence with outbuildings and is in the FA-1 Farming District in Larimer County. The requested zoning for this annexation is LMN - Low Density Mixed-Use Neighborhood. The area to be annexed is the entirety of an enclaved property that has been surrounded by the City of Fort Collins for more than three (3) years. The surrounding properties are currently zoned LMN - Low Density Mixed-Use Neighborhood in the City to the north, south, east, and west. This is a 100% voluntary annexation.

The property is located within the Fort Collins Urban Growth Area. According to policies and agreements between the City of Fort Collins and Larimer County contained in the *Intergovernmental Agreement for the Fort Collins Urban Growth Area*, the City will agree to consider annexation of property in the UGA when the property is eligible for annexation according to State law. This property gains the required 1/6 contiguity to existing City limits from common boundaries with the Webster Farm Annexation (February, 2002) to the north the Fossil Lake Annexation No. 2 (February, 2002) to the west, east, and south.

The surrounding zoning and land uses are as follows:

- N: LMN in the City of Fort Collins; existing high school (Fossil Ridge)
- E: LMN in the City of Fort Collins; existing single-family residential
- S: LMN in the City of Fort Collins; existing single-family residential
- W: LMN in the City of Fort Collins; existing single-family residential

The requested zoning for this annexation is the LMN – Low Density Mixed-Use Neighborhood Zoning District. There are several uses permitted in the District, subject to either administrative review or review by the Planning and Zoning Board. The City's adopted Structure Plan, a part of the Comprehensive Plan, suggests that Low Density Mixed-Use Neighborhoods are appropriate in this location.

Staff is recommending this property be included in the Residential Neighborhood Sign District, which was established for the purpose of regulating signs for non-residential uses in certain geographical areas of the City that may be particularly affected by such signs because of their

predominantly residential use and character. A map amendment will not be necessary to place this property on the Residential Neighborhood Sign District Map.

FINDINGS

1. The annexation of this area is consistent with the policies and agreements between Larimer County and the City of Fort Collins contained in the *Intergovernmental Agreement for the Fort Collins Urban Growth Area*.
2. The area meets the eligibility requirements included in State law to qualify for a voluntary annexation to the City of Fort Collins.
3. On November 21, 2006, the City Council approved a resolution that accepted the annexation petition and determined that the petition was in compliance with State law. The resolution also initiated the annexation process for the property by establishing the date, time and place when a public hearing would be held regarding the readings of the Ordinances annexing and zoning the area.
4. The requested LMN – Low Density Mixed-Use Neighborhood Zoning District is in conformance with the policies of the City's Comprehensive Plan.

STAFF RECOMMENDATION

Staff recommends approval of the annexation and requested zoning of LMN - Low Density Mixed-Use Neighborhood.

Staff is recommending that this property be included in the Residential Neighborhood Sign District. A map amendment will not be necessary to place this property on the Residential Neighborhood Sign District Map.

PLANNING AND ZONING BOARD RECOMMENDATION

The Planning and Zoning Board, at its regular monthly meeting of December 7, 2006, voted 6-0 to recommend approval of the annexation. The Board voted 6-0 to recommend that the property be placed in the LMN - Low Density Mixed-Use Neighborhood Zoning District.

The Planning and Zoning Board voted 6-0 to recommend that this property be included in the Residential Neighborhood Sign District.
