OWNER: Same As Applicant

BACKGROUND

The applicants and property owners, Miles and Jennifer Thorland, have submitted a written petition requesting annexation of 1.66 acres located on the north side of Kechter Road, approximately 800 feet east of South Timberline Road. It is the northerly portion of Lot 1 of the Blehm Subdivision in Larimer County. The other portion of Lot 1 of the Blehm Subdivision is adjacent to the south of the property. The Stetson Creek residential development is adjacent to the north of the property. The property is undeveloped and is in the FA1 - Farming District in Larimer County. The requested zoning for this annexation is UE - Urban Estate. The surrounding properties are currently zoned RL - Low Density Residential in the City to the north and FA1 - Farming in Larimer County to the west, east, and south. This is a 100% voluntary annexation.

The property is located within the Fort Collins Urban Growth Area. According to policies and agreements between the City of Fort Collins and Larimer County contained in the *Intergovernmental Agreement for the Fort Collins Urban Growth Area*, the City will agree to consider annexation of property in the UGA when the property is eligible for annexation according to State law. This property gains the required 1/6 contiguity to existing City limits from a common boundary with the South Harmony Annexation (February, 1986) to the north.

The surrounding zoning and land uses are as follows:

N: RL in the City of Fort Collins; existing single-family residential
E: FA1 in Larimer County; existing single-family residential
S: FA1 in Larimer County; existing single-family residential
W: FA1 in Larimer County; existing single-family residential

The requested zoning for this annexation is the UE - Urban Estate Zoning District. There are numerous uses permitted in this District, subject to either administrative review or review by the Planning and Zoning Board. The City's adopted Structure Plan, a part of the Comprehensive Plan, suggests that Urban Estate Neighborhood is appropriate in this location.

Staff is recommending that this property be included in the Residential Neighborhood Sign District, which was established for the purpose of regulating signs for non-residential uses in certain geographical areas of the City that may be particularly affected by such signs because of their predominantly residential use and character. A map amendment will not be necessary to place this property on the Residential Neighborhood Sign District Map because the property is shown to already be outside of Areas Not In The Sign District.

Findings

1. The annexation of this area is consistent with the policies and agreements between Larimer County and the City of Fort Collins contained in the *Intergovernmental Agreement for the Fort Collins Urban Growth Area*.
2. The area meets the eligibility requirements included in State law to qualify for a voluntary annexation to the City of Fort Collins.
3. On January 15, 2008, the City Council adopted Resolution 2008-001 that accepted the annexation petition and determined that the petition was in compliance with State law. The Resolution also initiated the annexation process for the property by establishing the date, time and place when a public hearing would be held regarding the readings of the Ordinances annexing and zoning the area.
4. The requested UE - Urban Estate Zoning District is in conformance with the policies of the City's Comprehensive Plan.

STAFF RECOMMENDATION

Staff recommends approval of the annexation and requested zoning of UE - Urban Estate.

Staff is recommending that this property be included in the Residential Neighborhood Sign District. A map amendment will not be necessary to place this property on the Residential Neighborhood Sign District Map.

PLANNING AND ZONING BOARD RECOMMENDATION

The Planning and Zoning Board, at its regular monthly meeting of January 17, 2008, voted 7 - 0 to recommend approval of the annexation. The Board voted 7 - 0 to recommend that the property be placed in the UE - Urban Estate Zoning District.

The Planning and Zoning Board voted 7 - 0 to recommend that this property be included in the Residential Neighborhood Sign District.
