**Adjourned Meeting  
September 23, 2014  
(REVISED: The order of the items has changed)  
6:00 PM**

● **CALL MEETING TO ORDER.**

● **ROLL CALL.**

1. Resolution 2014-082, Directing the Interim City Attorney and the City's Special Counsel to File an Appeal with the Colorado Court of Appeals in the Colorado Oil and Gas Association v. City of Fort Collins Lawsuit. (staff: Laurie Kadrich; 5 minute staff presentation; 30 minute discussion)

The purpose of this item is to request Council's direction to file an appeal with the Colorado Court of Appeals regarding the District Court's recent decision in the Colorado Oil and Gas Association's (COGA) lawsuit against the City. That decision declared the voter-approved five-year moratorium on hydraulic fracturing to be preempted by state law. This item also asks the Council for direction to file with the District Court, and the Court of Appeals if necessary, a motion to "stay" the effect of the Order pending the outcome of the appeal.

2. Second Reading of Ordinance No. 123, 2014, Authorizing the Conveyance of a Waterline Easement, Access Easement, and Temporary Construction Easement on City property to the City of Greeley. (staff: Lindsay Kuntz, Helen Matson; no staff presentation; 10 minute discussion)

This Ordinance, adopted on September 2, 2014, by a vote of 5-1 (Nays: Overbeck; Poppaw absent) authorizes the conveyance of easements to the City of Greeley across the City property known as the City Ditch. The City of Greeley is acquiring necessary easements for its Greeley Bellvue Pipeline Project. Greeley has requested easements for its project across a strip of property owned by the City's Utility Department extending south from the Poudre River. The property lies outside City limits and is the location of the City Ditch. The Larimer County Canal No. 2 Irrigating Company utilizes this ditch through an existing easement agreement with the City. The easements requested by Greeley include a .19 acre (8,265 square feet) permanent waterline easement, a .133 acre (5,808 square feet) temporary construction easement, and an access easement across the existing ditch access road.

3. Public Hearing on the 2015-2016 Recommended Biennial Budget for the City of Fort Collins. (staff: Darin Atteberry, Mike Beckstead; 10 minute staff presentation; 30 minute discussion)
