SUBJECT

First Reading of Ordinance No.141, 2016, Designating the Wilhelm Property Located at 717 and 717 ½ West Mulberry Street, Fort Collins, Colorado, as a Fort Collins Landmark Pursuant to Chapter 14 of the Code of the City of Fort Collins.

EXECUTIVE SUMMARY

This item is a quasi-judicial matter and if it is considered on the discussion agenda, it will be considered in accordance with the procedures described in Section 1(e) of the Council's Rules of Meeting Procedures adopted in Resolution 2015-091.

The purpose of this item is to designate the Wilhelm Property, located at 717 and 717 ½ West Mulberry Street, as a Fort Collins Landmark. The owner of this property, Housing Catalyst, formerly the Fort Collins Housing Authority, is initiating this request. The 1948 ranch-style residence and attached garage is eligible for recognition as a landmark due to its historic integrity and significance to Fort Collins under Designation Standard C, Design/Construction.

STAFF RECOMMENDATION

Staff recommends adoption of the Ordinance on First Reading.

BACKGROUND / DISCUSSION

The Wilhelm Property is an early example of a ranch-style residence with attached garage. Constructed in 1948, the residence exhibits character-defining architectural features, including the large, picture window, attached garage on the façade, asymmetrical façade, boxed eaves, and low pitched roof. Alterations to the residence undertaken are subordinate with compatible design and reversible.

Housing Catalyst has requested that the City of Fort Collins designate four of its properties as Fort Collins Landmarks: 519 East Mulberry Street, 608 and 608 1/2 South Grant Avenue, 701 Mathews, and 717 and 717 1/2 West Mulberry Street. Housing Catalyst is proposing to sell several of its residential housing units, and to apply the funds from the sales toward the acquisition of replacement units. As a federally funded entity, Housing Catalyst is required by the U.S. Department of Housing and Urban Development (HUD) to comply with applicable federal regulations, including compliance with Section 106 of the National Historic Preservation Act. Upon review by the State Historic Preservation Office (SHPO), the subject properties were determined to be eligible for listing on the National Register of Historic Places. As the sale of these eligible properties to private individuals would result in the properties no longer being subject to federal oversight, the sale has been determined to have an "adverse effect." One way that the finding of adverse effect may be mitigated is for the properties to become designated at the local level, and subject to local review. This solution will result in a finding of no adverse effect on the sale of the properties, and complies with both SHPO and HUD regulations.

CITY FINANCIAL IMPACTS

Recognition of this property as a Fort Collins Landmark enables its owners to qualify for local financial incentive programs available only to landmark designated properties. Based upon research conducted by Clarion Associates, the property will likely see an increase in value following designation. Clarion Associates attributed this increase to the fact that current and future owners qualify for financial incentives; the appeal of owning a recognized historic landmark; and the assurance of predictability that design review offers.

BOARD / COMMISSION RECOMMENDATION

This item will appear before the Landmark Preservation Commission (LPC) on December 14, 2016. The results of the LPC meeting will be included in a read before memo to City Council on December 20, 2016.
